

P02 RISK MANAGEMENT POLICY

Leongatha Community House is committed to keeping everyone safe. We will do everything we can to create an environment that is safe for visitors, volunteers, members, staff and committee members.

Definitions

Hazards are potential sources of harm

Incidents are any event that causes or has the potential to cause harm

P12 Governance Policy

P13 Financial Management Policy

This policy was adopted by the Committee of Governance at the meeting on 15 April 2024. It should be reviewed in April 2029.

Risks to **PHYSICAL SAFETY**

All members of our community should have an expectation to both *feel* and *be* safe. We evaluate and mitigate hazards such as:

- chemicals
- communicable diseases
- building maintenance *and*
- natural disasters.

Risks to **THE COMMUNITY**

We actively maintain a healthy environment for our community and formulate strategies to mitigate hazards such as:

- stress
- physical violence *and*
- substance abuse.

Risks to **THE ORGANISATION**

The stability of the organisation is central to the safety and wellbeing of our community. We evaluate and mitigate hazards such as:

- financial instability
- fraud *and*
- mismanagement.

Our Risk Management Cycle:
